INTRODUCTION

This guide will teach you how to replace ink cartridges for the Bubblejet i80.

TOOLS:

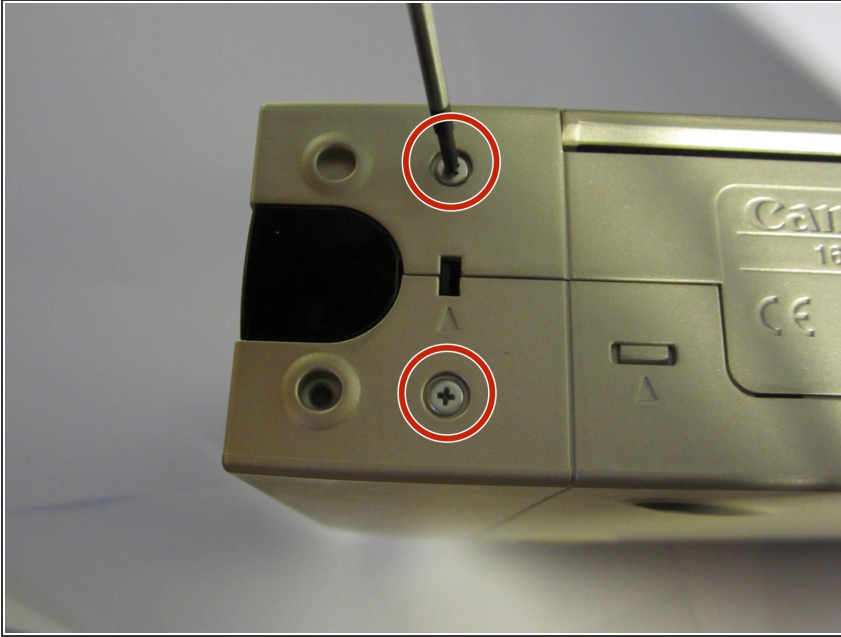

- [Phillips #00 Screwdriver](#) (1)

PARTS:

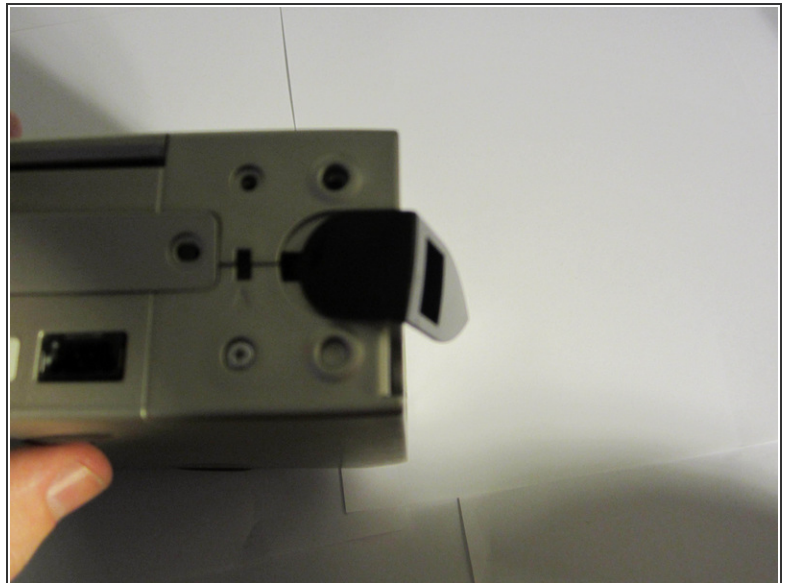

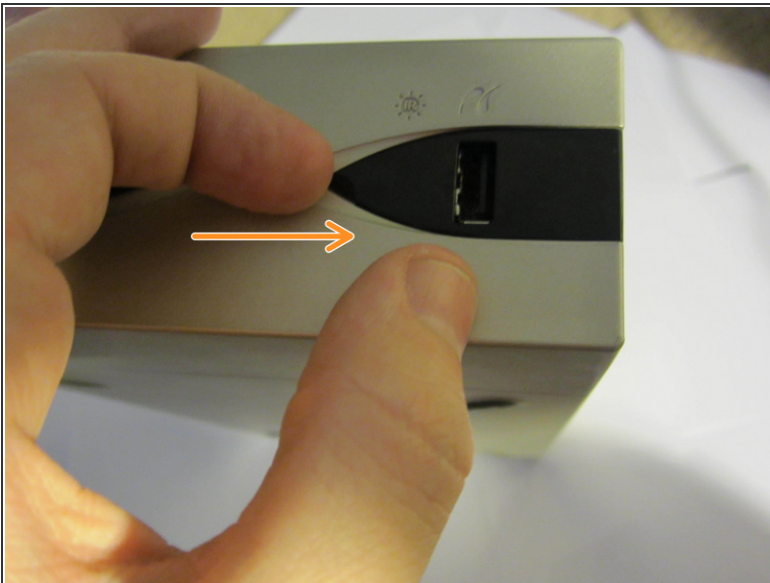

- [Canon BCI-15 Ink Cartridges](#) (1)

Step 1 — Printer Cartridge

- Remove the two screws on the back of the cartridge.

Step 2

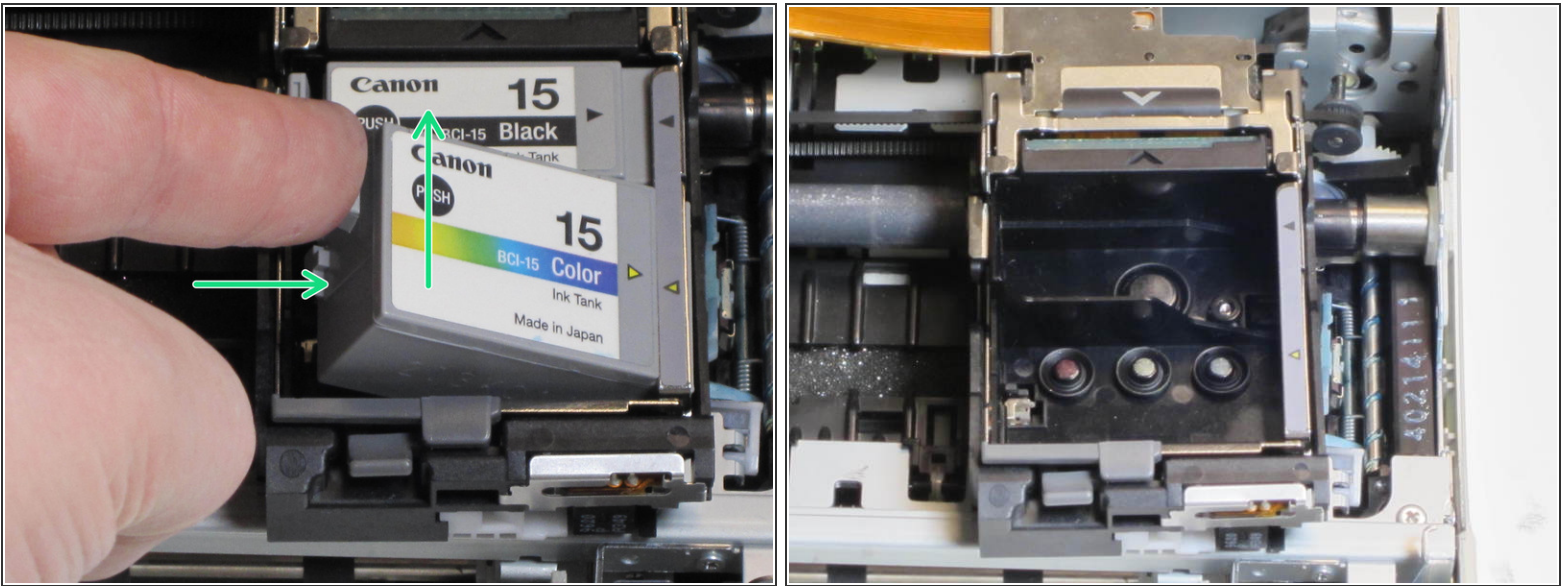

- With a sliding motion remove the black plastic pieces.

Step 3

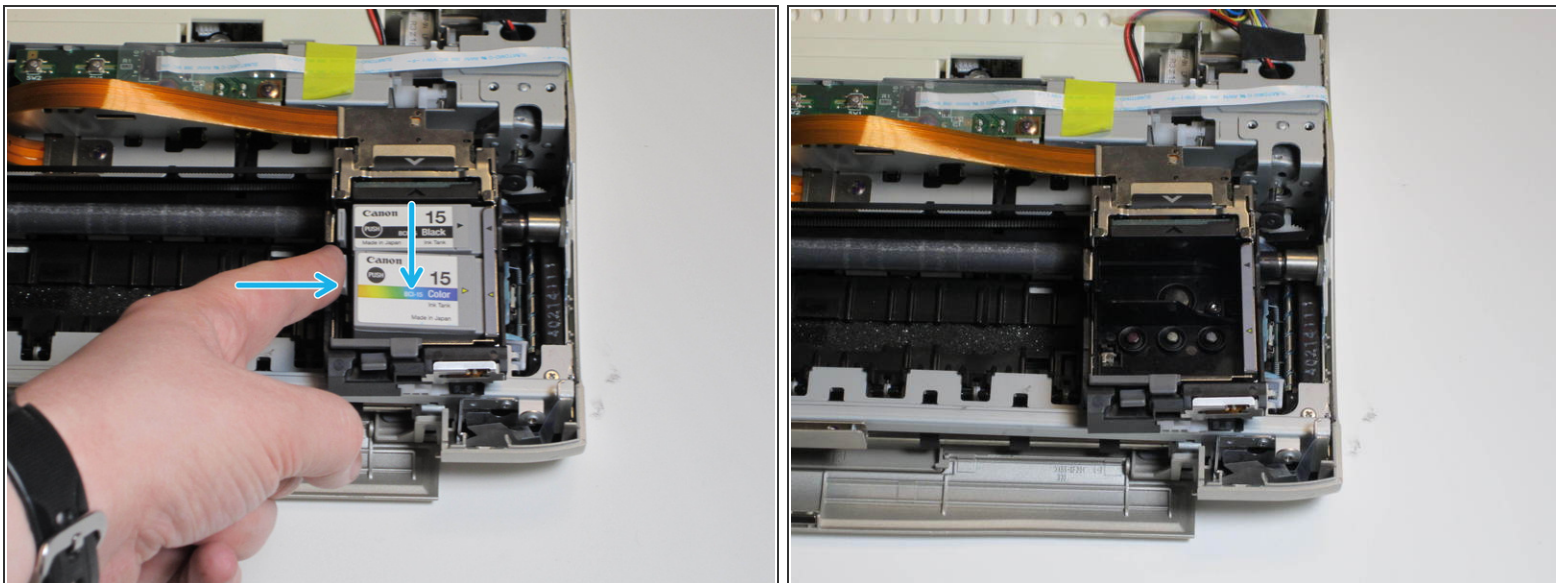

- With force pull apart the casing.

Step 4

- Push the cartridge in and then pull the cartridge up to remove it.

Step 5

- Place the black cartridge into the top slot and then push down to click into place.
- Place the colored cartridge into the bottom slot and then push down to click into place.

Step 6

- Complete steps 1-3 in reverse order to close the lid.

To reassemble your device, follow these instructions in reverse order.
